'Valuing Everyone As Learners'

10th December 2019

Dear Parents/Carers,

On Wednesday 18th December, a member of the North Essex Astronomy Association will be visiting Giffards Primary School for the Year 5's closing event to this term's space topic. This will be a fantastic opportunity for the children to look through a range of telescopes and, depending on the weather get views of the Moon, any visible planets and even some deeper sky objects such as star clusters and galaxies. If the weather is poor, an indoor astronomy and space presentation will take place inside. Along with a display of telescopes and a scale model of the solar system. To fund this event, we are asking for a donation of £1 (cash only please) per child (includes a drink and snack). This event will last approximately 90 minutes. **Please return your £1 and slip by Tuesday 17th December.**

Should your child wish to attend, please can you drop your child at the main office at 6.15pm. Children will be ready for collection at 8pm from the same location. All children must be collected by an adult no child will be allowed to walk home alone.

We apologise for the late notice.

Yours sincerely

Miss C Bright Mr S Horsburgh
Class Teachers

To: Class Teacher, Giffards Primary School, SS17 7TG 10.12.2019

Child's Name: _____ Class: _____

I enclose £1 cash payment.

I will collect my child from the main office at 8pm.

Parent name: _____
