## 'Valuing Everyone As Learners'

7<sup>th</sup> October 2022

### Giffards Primary vs. Climate Change Represent your school, score green goals, play for the planet!

Dear Parents and Carers,

As part of our drive to become more Eco Friendly and educate our pupils about ways in which we can all make changes to be 'Greener' we have again signed up to the Planet Super League, this is a national school competition, to take climate action. Planet Super League works in partnership with more than 50 professional football clubs to help promote climate action (don't worry you don't have to be a football fan to get involved).

Schools vs. Climate Change is an online competition where children, teachers, families and stakeholders of the school compete against other schools in a fun, online competition to see who can score the most 'green goals'. Green goals are scored by completing a variety of activities, which can be completed as an individual, as a class or at home to inspire changes that, collectively, can have a big impact on the planet as well as scoring goals for our school to become the School vs. Climate Change champions. Even if pupils choose not to enter the online competition there are lots of valuable activities for us all to do that help towards protecting the Planet.

#### **When is the tournament?**

Monday 10<sup>th</sup> October 2022 – Sunday 13<sup>th</sup> November 2022 (5 weeks).

#### **How do I get involved?**

There are over 100 activities to do on the Planet Super League website, including:

- Trying a meat-free meal
- Active travel to school, work or the shops
- Making posters to remind people to turn off the lights

There are activities across several categories, some educational, some fun, some impactful and others simple and effective everyday behaviour changes.

For more information speak to Mr Clarke our Eco School Leader or visit:  
[planetsuperleague.com/schools](http://planetsuperleague.com/schools) to see our FAQs.

To launch the event, children will be participating in an in-class assembly today.

During our involvement in the Planet Super League competition, each class will also undertake some of the activities in school to score additional points for Giffards. We will take photos of these activities but no pupils' faces will be visible.

Good luck and best wishes
